WEEKLY YARD TRIMMINGS RECYCLING MARCH 29-MAY 7, 2021

Yard Trimmings Spring Recycling March 29-May 7

Gather up those leaves, grass and bundled branches to be recycled on your regular weekly trash day from March 29-May 7.

How does it work?

- Yard trimmings can still be put out year-round, but will only be recycled March 29-May 7 and another time during the fall, exact dates to be determined. The rest of the year they go to the landfill.
- Set yard trimmings out for recycling with your trash and other recycling by 7 a.m.
- Bundle branches to weigh less than 40 pounds and be no more than four feet long and limbs may be no more than four inches in diameter.
- Use as many paper lawn waste bags as needed for leaves and smaller trimmings. Plastic bags cannot be accepted for recycling.
- These bags do **not** count toward your 7 extra items allowed each week outside of your cart.
- No wet bags. They are too heavy and break too easily.
- You will get a letter in the mail with your Utility Bill giving you all of this information.

HEADS UP!

The Weekly Yard Trimmings Recycling is different than the Residential Tree Limb Collection from the ice storm. These are two different programs.

The March 25, 2021 City Council Meeting was conducted in a hybrid meeting format, with some City Council Members and some City staff attending in-person.

Council discussed, among other items:

- Meeting recess for recognition of Cedar Park High School Lady Timberwolves 2021 5A State Basketball Champions (held outdoors)
- Appointment of Elle Albert to Parks, Arts and Community Enrichment Advisory Board
- Continuation of City of Cedar Park's February 2021 Winter Storm Declaration of Local State of Disaster

No "deuces" or "aces" at Veterans Memorial Park Tennis Courts April 5-7 ... just some love* for the damaged fence. Closed while repairs are made.

*Pun intended – we get that "love" = no points in tennis. We're showing this fence some love.

I ♥ Cedar Park! #iheartcedarpark
